Summary:

Isaac's twenty when he loses his virginity.

Finally

Author's Note:

Mixed feelings about this one, like I do about all my stories about sex, but showed it to a friend and they enjoyed it so it's probably just my brain being super critical.

Hope you enjoy! <3

Isaac's twenty when he loses his virginity.

While they're on a new mission to deal with the newest creatures that are popping up after Alchemy's Release.

Garet kisses him in their room, after a battle. His hands still warm from his psyenergy. "I want to fuck you." He whispers.

Isaac moans and kisses back, pulling and tugging at Garet's jacket until it comes undone. He touches Garet's skin, strong pecs and furry chest, "Yeah, yeah do it." He doesn't know how many times he's wanted this but has been too afraid, too scared to chance it.

Scared enough that he almost didn't accept working with Garet on this job.

"I've got some oil in my pouches." Garet mumbles, trailing kisses against Isaac's beard, as if he doesn't want to stop pressing kisses to Isaac's face.

Isaac growls and *moves* Garet onto the bed.

The bed *creaks* and Garet spreads his legs and grins, face flush, "Want you to ride me next time, take my dick inside

and fuck yourself on it.”

Isaac clothes turn into dust with a bit of psyenergy, and he lands on top of Gareth, “I’ll do that right now too if you want.”

A big hand flips Isaac over. “No, I want to fuck you.” Gareth grins from on top of Isaac, and pulls out a vial from his pouches, and slaps Isaac's thigh.

“Spread them.”

Isaac does, feeling excited, his dick thick and heavy against his furry belly. He slips his fingers between his legs and presses against his hole, he's thought of this so many times.

“Stop that I want to do it.” Gareth's naked, his thick dick twitching between his legs, his low hanging balls swaying. He pushes Isaac's hand away and rubs slick fingers against Isaac's hole.

Isaac moans and spreads his muscular legs wider. He feels the tip of Gareth's finger and the stretch and burns but it fills him up quickly and he missed the feeling of having fingers inside of him. It's even hotter that it's *Garet's* fingers.

Garet leans forward and mouths at Isaac's cheek, “I'm going to fuck you open on my big cock. Fill you with it until you cum and then fill you up with my seed.” Another finger goes inside of Isaac, and then he starts thrusting, pushing in until his knuckles are pressing at the edge of Isaac's hole.

Isaac whines and wraps his legs around Gareth's waist. “Then *do it.*” He slips his hand between their bodies and wraps his fingers around Gareth's dick. So hot in his hand.

Garet moans and thrusts into Isaac's fist. “Your hand, fuck everytime you hold your sword...” He flushes.

"Everytime?" Isaac chuckles and squeezes Gareth's head, feels slick precum on his fingers and rubs the slit enjoying each time he passes over there's more precum.

Garet throbs in Isaac's hand and he starts panting, fingers shakily thrusting into Isaac again. "Stop or I'll cum."

Isaac grins and let's go, pulling at his cheeks.

"Fuck look at that hole of yours spread around my fingers. It's so pretty." Gareth stretches his fingers, it burns but feels so *good*, "Can't wait to see my cum dripping from it."

"Fuck Gareth, stop teasing." Isaac rocks his hips back trying to fuck Gareth's fingers but he has no leverage and it's no use.

There's a clink of glass, probably the vial of oil, and Gareth's thick, slick dick presses against Isaac's hole. "Tell me if it hurts." Gareth pushes until the head slips inside.

Isaac groans, it's so much bigger than his own fingers and even Gareth's hadn't felt the same, so thick it burns until he's clamping down tight around the head and panting at the ecstasy running through him. "Full."

"Yeah? You are pretty tight, fuck I don't know if you can take all of me." Gareth's smirks.

Isaac growls and rocks back until more of Gareth's dick is filling him, aching pleasure running through his hole. "More, *fuck me*."

Then, Gareth leans forward, and slams his hips forward, pummeling Isaac, almost slipping out each time, his cock-head pushing up against Isaac's hole until his hole spreads for Gareth. He groans, "So good, can't believe I waited for

this, you're so tight around me, Isaac.” His big balls slap heavy against Isaac's ass.

Isaac can't speak, just a long drawn out gasp, he feels so full, his own dick bounces against his stomach and he could cum just like this, being fucked full of his best friend's cock.

Garet grinds into him, his cock pushing just a little further inside, and he leans forward, placing a calloused palm against Isaac's cheek. He kisses Isaac softly, licking his lips, tongue slipping in and pushing against Isaac's.

They moan and rock against each other, Isaac's dick slides against Garet's stomach.

Bliss clouds Isaac's mind, and he squeezes a hand between them. He wants desperately to cum, can already feel his balls tensing and pulling up.

“No,” Garet moves back, lips shining in the light, he grabs Isaac's hand and presses it down into the bed, “Want you to cum on my cock, come on. It's so tight inside of you, I bet you can feel everything,” He pulls his cock out until the head is throbbing at the entrance, and then grinds back in, “Cum for me, Isaac.”

Isaac moans, clenches around Garet's dick.

Garet pulls out and pushes back in, balls slapping against Isaac's ass. “Cum for me” He rocks into him, keeps fucking him with a steady pace.

Isaac clenches again, and his dick head rubs against Garet's stomach. He *cums* his dick spilling, between their bodies, balls achingly tight. He gasps and groans, legs loose around Garet's waist, staring up at Garet's face.

Garet keeps their gazes locked, licking his lips. He keeps fucking into him, and as Isaac's orgasm slows, Garet cums inside cock spurting warm cum inside of Isaac.

Isaac moans, his dick twitching one last time, a last stream of cum leaking out, and squeezes around Garet's dick, "Fuck me again."

Garet grunts and grinds their hips together, hand wrapping around Isaac's softening cock, "Sure you can keep up?"

"Yeah, fuck me again."
